

Annex E - Additional Scottish Government policy outputs

Background

As part of the Commissions assessment of Scotland's progress towards a just transition, the list in this annex highlights other publications which will have impact on Scotland's progress.

Overview

Over the past 12 months there have been a number of cross-sectoral policy publications with direct relevance to the just transition agenda in Scotland:

Rural Economy

- [Action Plan to Address Depopulation](#)
- [Islands Connectivity Plan](#)
- [National Islands Plan: Implementation Route Map 2024](#)

Spatial planning

- [National Planning Framework 4](#)

Jobs and skills

- [No One Left Behind: employability strategic plan 2024 to 2027](#)

Transport

- [Fair Fares Review](#)
